

SUBJECT: Limited Time Offer – Better Benefits for people with pre-existing conditions

For those of you with past or current health issues that limit your insurance options, we are pleased to pass on information from Loran Insurance, our LLHA broker, about a very good guaranteed issue plan that is temporarily available.

For a limited time this plan which is usually only available to individuals leaving group benefits is open to LLHA members, your families, friends and colleagues. Please note: The guaranteed issue plan is separate from our LLHA Health Plus Insurance for members. If you're healthy, the Health Plus member plan is the much better option.

Guaranteed Acceptance Plan

No health questions asked. Qualify even if you've been denied other plans due to health history or high drug bills.

Comprehensive, well-priced coverage

Includes drugs, vision, hospital, physiotherapy, dental and more. Better than other guaranteed acceptance plans.

Limited Time Offer

Applications open for 6 weeks only
